

# Successful Competency Interview Skills

Ever wonder why they seemed so perfect during the interview? And why do they leave you almost immediately after they start to perform? If you have been hiring based on intuition or gut feel, if you have been asking random questions during interviews... **YOU NEED THIS COURSE** to ease away your frustrations!

This 2-day workshop will equip those involved in the selection interviewing process with the necessary skills and information to design a competency based interview structure and to conduct effective behavioural-based selection interviews.

Learn: Types of Competencies, Questioning Techniques, STAR Evaluation Model, Common Errors, Behavioural Based Interviews, Sensory Acuity, Eye Accessing Cues, Body Language and Reference Check.
